

Build to Learn brief

Use this before the first Reality Loop to name the uncertainty, the candidate reality slice, and the evidence needed before commitment.

INITIATIVE**DATE****OWNER**

DECISION PRESSURE**DECISION TO IMPROVE****COST IF WRONG**

CANDIDATE REALITY**UNKNOWN TO EXPOSE****CANDIDATE SLICE TO BUILD**

LOOP REQUIREMENTS**STAKEHOLDERS REQUIRED****CONSTRAINTS****EVIDENCE NEEDED**

READINESS CHECK

- ☐ The uncertainty is specific enough to test.
- ☐ The candidate can be built quickly and discarded if needed.
- ☐ The stakeholders can operate or review the candidate reality.
- ☐ The team knows what evidence would justify a next loop or Freeze Gate.
