

Evidence ledger

Maintain the durable record of accepted behavior, rejected alternatives, decisions, risks, and checks as software moves from learning to delivery.

TRACEABILITY QUESTIONS

- ☐ Why does this behavior exist?
- ☐ Who accepted it, and after which experience?
- ☐ Which alternatives were rejected?
- ☐ Which checks still challenge delivery confidence?
- ☐ Has production telemetry changed the evidence?

REALITYDRIVEN.ORG

WHEN GENERATION IS ABUNDANT, EVIDENCE BECOMES SCARCE.
